Quality Policy Pol 01

It is our policy to ensure the continual improvement of the company's overall performance, and aim towards satisfying the expectations and needs of our Customers.

To achieve this objective Innogistic Ltd operates a Quality Management System that is described in the Quality Manual and satisfies the requirement of *ISO 9001:2008*.

Adherence to this policy involves all of the Company's activities and services, and their effects.

This policy is understood, implemented and maintained at all levels within the company.

The policy includes the setting and publication of our Company objectives and this policy is publically available.

The Managing Director has the ultimate responsibility for the effective operation of the Quality Management System and ensuring a commitment to its continuous improvement.

Signed: 

Dave Roberts, Managing Director
